Notes: Students following this plan are under the GenEd-to-GenEd General Education program.

- a) Students should select a course that satisfies the CLA Foreign Language/Global Studies requirement. Students who completed two levels of a foreign language at their community college should select one of the following: a third semester of foreign language; one Global Studies course; study abroad at an approved program; or a GenEd Global/World Society course.
- b) To earn a CLA baccalaureate degree, a student must complete a minimum of 123 credits, including: 90 credits in CLA/CST courses, 45 credits of which must be at the upper level (numbered 2000-4999). Of that, 6 credits must be outside the student's major division (e.g. Social Sciences or Humanities)
- c) Temple University requires that all undergraduate degree candidates complete 45 hours of the last 60 hours of the degree or program as matriculated students at Temple University. If a matriculated

student previously took Temple courses on a non-matriculated basis, those courses are counted towards this requirement.
