- Students who complete the A.A. in Business Administration (1009) at Bucks are included in the Bucks-Temple Core-to-GenEd Transfer Agreement, and therefore, have satisfied all of the GenEd requirements at Temple. A grade of C or better must be obtained in the above listed courses to meet Temple's requirements for transfer credit.
- Students who complete Bucks' MGMT 135: Business Communications will still be required to complete Temple's BA 2196: Business Communications course at Temple. BA 2196 is a writing-intensive course and therefore cannot be satisfied via Transfer credit.
- Students who are planning to major in Finance at Temple should select MATH 215: Elementary Statistics II. The combination of MATH 115 and MATH 215 can be used to fulfill the FSBM STAT 2103: Business Statistics Requirement via DARS exception. Finance majors who transfer without MATH 215 may require additional time to degree completion.
- Students should select MGMT 180: Legal Environment of Business. MGMT 180 transfers to Temple as LGLS 1101: Legal Environment of Business and satisfies a major requirement.
- Temple's Fox School of Business will waive STAT 1001: Pre-Calculus for Business through DARS exception, for students who transfer Bucks' MATH 118: Business Calculus or MATH 140: Calculus I.
- Students who transfer an equivalent of STAT 1102 will also be required to earn credit for BA 2104 - Excel for Business Applications. Students who do not transfer an Excel course, must take BA 2104 in their first semester or pass the waiver exam to fulfill the requirement.
- It is recommended that students take MGMT160: Insurance and Risk Management at Bucks to fulfill their elective credits. MGMT160 will transfer in as RMI 2101: Introduction to Risk Management and satisfies a major requirement.

If the suggested classes are successfully completed and an Associate of Arts in Business Administration is awarded from Bucks County Community College, the remaining four semesters in the **Accounting** at Temple University follows:
