Notes:

1. MAT 130 and MAT 131 can be used in place of MAT 135 and MAT 136 to fulfill the Fox requirement for Calculus and also fulfills the Quantitative Literacy requirement (GQ) at Temple. Students interested in Actuarial Science should contact the Office of Enrollment Management in the Fox School for suggested mathematics courses for Actuarial Science.
2. Students are recommended to take the 1 credit lab course, BUS 221 as a supplement to BUS 220. Fox will accept the combination of DCCC's BUS 220 and 221 as fulfilling the Statistics 2103 requirement. Students transferring BUS 220 without the additional 1 credit lab course will need to complete Statistics 2103 at Temple.
3. Students should select DPR 115: Microsoft Excel for their business elective. DPR transfers to Temple at BA 2104: Excel for Business Applications and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
4. Students who complete the A.S. in Business Administration at DCCC are included in the DCCC-Temple GenEd-to-GenEd Transfer Agreement, and therefore, have satisfied all of the GenEd requirements at Temple.
5. For information about how selected courses might transfer to Temple, refer to Temple's Transfer Equivalency Tool (<http://admissions.temple.edu/transfer-equivalency-tool>) and consult with your academic advisor.
