Notes: Students following this plan are under the GenEd-to-GenEd General Education program.		
a) Students should select a course that satisfies the CLA Foreign Language/Global Studies requirement. Students who completed two levels of a foreign language at their community college should select one of the following: a third semester of foreign language; take one Global Studies course; study abroad at an approved program; or take a GenEd Global/World Society course.		
b) To earn a CLA baccalaureate degree, a student must complete a minimum of 123 credits, including: 90 credits in CLA/CST courses, 45 credits of which must be at the upper level (numbered 2000-4999). Of that, 6 credits must be outside the student's major division (e.g. Social Sciences or Humanities)		
c) Temple University requires that all undergraduate degree candidates complete 45 hours of the last 60 hours of the degree or program as matriculated students at Temple University. If a matriculated student previously took Temple courses on a non-matriculated basis, those courses are counted towards this requirement.		
d) Per Temple's Transfer Policy for Permission to Complete a Course at Another Institution after Matriculation , students who transfer 60 credits or more cannot receive permissions to transfer additional course work
