Gateway Fellowships

This session provides an overview of:
• What this session is, and what it is not
• Gateway fellowships abroad
• Gateway fellowships in the US
• Gateway opportunities at Temple
• Next steps to meet a tight deadline
• Future fellowships these could prepare you for

What are “gateway” fellowships? They are undergraduate fellowships that help to prepare you for future opportunities, like a post-undergrad fellowship, your career, or grad school.
What are fellowships?

- “Fellowship” is a broad term that covers a wide range of funded experiences, like:
  - Study abroad
  - Language study
  - Research
  - Post-undergraduate studies abroad and/or in the U.S.
  - Teaching English abroad
  - Public or federal service
  - Tuition expense

- Fellowships are intended to enhance your education. They often fund *experiences* rather than tuition at your home university.

- Some people make a distinction between scholarships (for undergraduates) and fellowships (for graduate students), but most do not.
Gateway Fellowships Abroad

- **Boren Awards (campus deadline January 20)**
  - For the intensive study of a critical language and culture abroad (the longer abroad, the more competitive you will be)
  - Ideal for students who intend a career in federal service, ideally national security (there is a service requirement)
  - Special STEM initiative for summer study
  - Up to $25,000 for an academic year
  - Gateway to: [Critical Language Scholarship](#), [Fulbright](#), [Payne/Pickering/Rangel](#), careers in federal service

- **St. Andrew’s Society Scholarship (campus deadline February 1)**
  - $35,000 to study for an academic year at one of four Scottish universities
  - Apply as a sophomore
  - Must be in top 25% of your class (our recipients tend to have over a 3.6)
  - Gateway to: [Fulbright](#), [UK awards](#), graduate school

All deadlines and descriptions here are general. Check the individual fellowship websites for more information.
Gateway Fellowships Abroad

**Fulbright UK Summer Institute (Deadline: Early February)**
- 3-4 week summer study at selected UK universities
- Apply as a freshman or sophomore; students *without* prior study abroad experience are preferred
- Minimum 3.7 GPA required
- Gateway to: Fulbright, UK awards

**Fulbright Canada MITACS Globalink Summer Research (Deadline: early to mid-Sept)**
- Summer research in Canada, paired with a university researcher
- Junior applicants with strong GPAs preferred
- Must be able to articulate a research interest
- Gateway to: Fulbright, McCall MacBain (for grad study in Canada), grad school, UK awards

These are the only Fulbrights available to undergraduates!
Gateway Fellowships Abroad

**Critical Language Scholarship** (Deadline: Early to mid-November)

- Intensive study of a critical language for 8-10 weeks abroad during the summer
- Apply as first-year, sophomore, junior, senior, or current graduate student. US citizenship required.
- Languages that do not require prior study: Azerbaijani, Bangla, Hindi, Indonesia, Persian, Punjabi, Swahili, Turkish, Urdu
- Languages that require one year of prior study, or the equivalent: Arabic, Portuguese, Korean, Russian
- Languages that require two years of prior study, or the equivalent: Chinese, Japanese
- Gateway to: Fulbright, graduate school, careers that require a critical language
Gateway Fellowships Abroad

**Gilman** (several deadlines per year, usually in October and March)

- Enables students of limited financial means to study or intern abroad
- Encourages students to study and intern in a diverse array of countries or areas and world regions
- Priority given to populations underrepresented in education abroad, including but not limited to first-generation college students, students in STEM (science, technology, engineering, and mathematics) fields, ethnic minority students, students with disabilities, students with high financial need, veterans, and more
- Must receive a Pell grant to be eligible
- Gateway to: Fulbright, CLS, Boren, your future career
Gateway Fellowships in the U.S.

**Goldwater Scholarship (campus deadline November 15)**
- For undergraduates pursuing a career in STEM research
- Sophomores or juniors in STEM
- Must have a 3.0 GPA, but most nominees have a 3.7 or above; past AND current research experience expected
- Up to $7,500 annually
- Gateway to: NSF Graduate Research Fellowship Program, Research-based STEM graduate programs, Knight-Hennessy

**Truman Scholarship (campus deadline November 15)**
- For juniors planning a career in public service; “change agent”
- Meaningful record of public service and leadership expected
- Up to $30,000 toward a master’s degree
- Gateway to: UK awards (like the Rhodes, Marshall), High-impact public service careers

**Udall Scholarship (campus deadline January 20)**
- For undergraduates pursuing a career related to the environment or Native American policy
- Sophomores or juniors, any discipline
- Record of service and leadership related to the environment or Native American issues
- Up to $7,000
- Gateway to: High-impact careers in the environment or Native American policy; UK awards

All of these require “nomination” by Temple, so the campus deadline is earlier than the national deadline.
Gateway Fellowships in the U.S.

- **Public Policy and International Affairs Junior Summer Institute (Deadline: Early November. )**
  - Fully funded intensive 7-week summer program that focuses on policy
  - Apply as a junior; preference given to underrepresented populations and those with financial need
  - Provides an additional $5000 *minimum* for a grad program within the PPIA consortium of 30 universities. Many PPIA member schools waive graduate tuition entirely for PPIA alumni.
  - Gateway to: future careers in policy, graduate programs in public policy or related fields, other post-grad fellowships like the Fulbright, Payne, Pickering, Rangel
Gateway Fellowships in the U.S.

- Be part of a cohort of about 20 other Temple students from a wide range of majors. Meet monthly during the summer.
- Gateway to: Fulbright, UK awards, Knight-Hennessy, grad school

**Creative Arts, Research, and Scholarship program** (CARAS. Two cycles annually in October and March)
- For mentored independent research. You determine your schedule.
- Not part of a cohort
- Gateway to: Fulbright, UK awards, Knight-Hennessy, grad school

**Diamond Peer Teachers** (Two deadlines annually in September and March)
- Be a peer teacher (like a teaching assistant) for an intro-level course in your major or a Gen Ed course
- Juniors and seniors are eligible to apply in this cycle; juniors and second semester sophomores can apply in the spring 2024 for a fall 2024 class
- Gateway to: Fulbright English Teaching Assistantship, grad school where you might be a TA, any career where you’ll have to speak in public
Gateway Fellowships at Temple University

Smith Scholars program (Deadline mid-March)

• Offers awards of $8,000-10,000 per year to support high-achieving Temple University undergraduates from the five-county Philadelphia area and from the City of Camden, N.J.

• The goal of the Smith Scholars program is to identify and support talented Temple undergraduates who have faced financial challenges and other obstacles. (You must receive federal financial aid and have high need to be eligible.)

• The program offers one-on-one and small-group fellowship advising, application/personal statement guidance, and support to apply for other meaningful scholarship, fellowship, or research opportunities.

• Apply as a freshman or sophomore.

• Gateway to: A wide range of future fellowships, grad school, your career
Next Steps

- Email Barbara.Gorka@temple.edu to let her know which scholarship(s) you are interested in.
- Review the websites of the fellowships you are interested in. Ensure your eligibility and confirm the deadlines.
- Open an application.
- Make an appointment with Fellowships Advising to discuss your candidacy and to brainstorm your essay(s).
- Draft your essay(s) and meet with Fellowships Advising again to review them together.
- Request letters from recommenders. Strive to give them AT LEAST two weeks, but ideally four.
  - Advice for asking for letters of recommendation
  - Advice to share with your letter writers
- Collect other required supplementary materials, which will vary by application.

International Students

- Most federal funding (Fulbright, NSF, Boren, CLS, etc.) will require US citizenship.
- Post-undergraduate opportunities that do not require US citizenship include the Gates, Schwarzman, Knight-Hennessy. The Rhodes has some awards reserved specifically for US citizens, and others for non-US citizens.
- On our Find a Fellowship “Browse by category” page, additional opportunities that do not require US citizenship have an asterisk (*) by their name.
- Most Temple opportunities (like Diamond Research Scholars or Diamond Peer Teachers) will not require US citizenship.
- Private companies and professional associations are the most likely source of funding without citizenship restrictions.
- Be sure to search using Pivot.
- Check with local cultural associations.
- Check with your country’s embassy.
- Look at the IEFA or Scholarships.com websites.
