Notes:

- 1) To be eligible to transfer under the terms of Temple's GenEd-to-GenEd agreement, students must complete a mathematics course equivalent to Temple's QA/QB level math. Courses that satisfy this requirement include: MAT 161, 162, or MAT 190. Students who transfer without one of the recommended Mathematics courses will be required to complete Temple's 45+ General Education requirements and will require additional time to degree completion.
- 2) Students should select MAT 131: Introduction to Statistics 1. MAT 131 transfers to Temple as MATH 1013: Elements of Statistics and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 3) Students should select HIS 203: History of US to 1877 or HIS 205: History of US from 1877. HIS 203 transfers to Temple as HIS 1101: US History to 1877 and HIS 205 transfers to Temple as HIST 1102: US History since 1877. Either of these courses can be used to satisfy a major requirement. Students transferring without one of these courses may require additional time to degree completion.
- 4) Students should select MAT 162: Precalculus. MAT 162 transfers to Temple as MATH 1022: Pre-Calculus and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 5) PSY 204: Adolescent Psychology transfers to Temple as PSY U***. PSY 204 will satisfy EDUC 2109: Adolescent Development for Educators through DARS exception.
- 6) Students should select BIO 121: General Biology I. BIO 121 transfers to Temple as BIOL 1012: General Biology II and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 7) For certification, the Pennsylvania Department of Education requires a minimum number of credits in the areas of Social Studies, Mathematics, Science and Language Arts. It is recommended that students select from the recommended courses to meet these minimum requirements.
- 8) Students should select BIO 122: General Biology II. BIO 122 transfers to Temple as BIOL 1011: General Biology I and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 9) Students should select MAT 190: Calculus & Analytic Geometry I. MAT 190 transfers to Temple as MATH 1041: Calculus and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 10) Students should select ENG 211: Survey of American Literature I, ENG 212: Survey of American Literature II, or ENG 246: African American Literature. ENG 211 transfers to Temple as ENG 2301: Survey of American Literature I, ENG 212 transfers to Temple as ENG 2302: Survey of American Literature II, and ENG 246 transfers to Temple as ENG 2402: African-American Lit II. Any of these courses will satisfy a major requirement at Temple. Students transferring without one of these courses may require additional time to degree completion.
- 11) Students should select PHY 121: General Physics I. PHY 121 transfer to Temple as PHYS 1021: Elementary Classical Physics I and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 12) Students should select MAT 201: Calculus & Analytic Geometry II. MAT 201 transfer to Temple as MATH 1042: Calculus II and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 13) To see how MCCC courses transfer to Temple, students should refer to Temple's Transfer Equivalency Tool: <http://admissions.temple.edu/transfer-equivalency-tool>

Clearance and Testing Notice:

In order to register for 3000+ level teacher education program courses, students must have passed the Basic Skills Assessment test criteria set forth by the Pennsylvania Department of Education. Namely, students must have earned minimum scores in one of the following tests: SAT, ACT, PAPA or Praxis Core Academic Skills for Educators. Students must also be in compliance with the College of Education clearances policy.

For additional information about Basic Skills Assessment tests: <http://www.education.pa.gov/Teachers%20-%20Administrators/Certifications/Pages/Certification-Testing.aspx#.Vq6YEvIVguw>.

For additional information regarding clearances see: <http://www.temple.edu/education/clearances.html>.

If the suggested classes are successfully completed, an Associate in Arts in Education in the Middle Years is awarded from MCCC, and students are certified as having completed MATH 161: Precalculus, the remaining four semesters for the **Bachelor of Science in Education: Middle Grades Education, Mathematics and Language Arts Concentrations** are as follows:
