Notes:

- 1) To be eligible to transfer under the terms to Temple's GenEd-to-GenEd agreement, students must complete a mathematics course equivalent to Temple's QA/QB level math. Courses that satisfy this requirement include: MAT 161, 162, or MAT 190. Students who transfer without one of the recommended Mathematics courses will be required to complete Temple's 45+ General Education requirements and will require additional time to degree completion.
- 2) Students should select HIS 203: History of US to 1877 or HIS 205: History of US from 1877. HIS 203 transfers to Temple as HIST 1101: US History to 1877 and HIS 205 transfers to Temple as HIST 1102: US History since 1877. Either of these courses satisfies a major requirement. Students transferring without one of these courses may require additional time to degree completion.
- 3) Students should select BIO 121: General Biology I. BIO 121 transfers to Temple as BIOL 1012: General Biology II and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 4) PSY 204: Adolescent Psychology transfers to Temple as PSY U***. PSY 204 will satisfy EDUC 2109: Adolescent Development for Educators through DARS exception.
- 5) Students should select ECO 110: Element of Economics. ECO 110 transfers to Temple as ECO 1001: Introduction to Economy and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 6) Students should select POL 124: American National Government or POL 245: International Politics. POL 124 transfers to Temple as POLS 1101: American Political System and POL 245 as POLS 1301: International Politics and satisfies a major requirement at Temple. Students transferring without one of these courses may require additional time to degree completion.
- 7) Students should select BIO 122: General Biology II. BIO 122 transfers to Temple as BIOL 1011: General Biology I and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 8) Students should select MAT 161: Precalculus I. MAT 161 transfers to Temple as MATH 1021: College Algebra and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 9) For certification, the Pennsylvania Department of Education requires a minimum number of credits in the areas of Social Studies, Mathematics, Science and Language Arts. It is recommended that students select from the recommended courses to meet these minimum requirements.
- 10) Students should select ENG 211: Survey of American Literature I, ENG 212: Survey of American Literature II, or ENG 246: African American Literature. ENG 211 transfers to Temple as ENG 2301: Survey of American Literature I, ENG 212 transfers to Temple as ENG 2302: Survey of American Literature II, and ENG 246 transfers to Temple as ENG 2402: African-American Literature II. Any of these courses will satisfy a major requirement at Temple. Students transferring without one of these courses may require additional time to degree completion.
- 11) Students should select PHY 121: General Physics I. PHY 121 transfers to Temple as PHYS 1021: Intro to General Physics I. Students transferring without this course may require additional time to degree completion.
- 12) Students should select MAT 162: Precalculus II. MAT 162 transfers to Temple as MATH 1022: Pre-Calculus and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 13) Students should select HIS 122: World Civilization: History from 1500. HIS 122 transfers to Temple as HIST 1702: World History Modern and satisfies a major requirement. Students transferring without this course may require additional time to degree completion.
- 14) To see how MCCC courses transfer to Temple, students should refer to Temple's Transfer Equivalency Tool: <http://admissions.temple.edu/transfer-equivalency-tool>

Clearance and Testing Notice:

In order to register for 3000+ level teacher education program courses, students must have passed the Basic Skills Assessment test criteria set forth by the Pennsylvania Department of Education. Namely, students must have earned minimum scores in one of the following tests: SAT, ACT, PAPA or Praxis Core Academic Skills for Educators. Students must also be in compliance with the College of Education clearances policy.

For additional information about Basic Skills Assessment tests: <http://www.education.pa.gov/Teachers%20-%20Administrators/Certifications/Pages/Certification-Testing.aspx#.Vg6YEvlVguw>.

For additional information regarding clearances see: <http://www.temple.edu/education/clearances.html><http://www.temple.edu/education/clearances.html>
