\*Evaluation of credits for prior learning is based on a student's array and the student's Temple school/college makes the final determination of which credits are applicable to the student's degree program. Credit for prior learning evaluations may change for students who change majors.

\*\*All schools and colleges can accept up to 12 credits in upper division Military Science Courses

\*\*\*Credits accepted as above must fall within our normal guidelines for transfer credit and residency, e.g., 45 of the last 60 credits must be taken at Temple, unless the program has an approved exception.

\*\*\*\*CLA students must complete half of their major coursework at Temple University.

\*\*\*\*\*Community and Regional Planning majors must complete half of their major requirements at Temple University.
