**Notes:**

1. Students who transfer with the Associate of Arts in Social Services from HACC will require certification that a QA/QB level mathematics course has been completed prior to transfer in order to be classified as GenEd-to-GenEd. Students who transfer without a QA/QB level mathematics course will be required to complete Temple's 45+ General Education curriculum and will require additional time to graduation.
  - Either MAT 110: Applied Calculus for Business or MAT 202: Introduction to Statistics will satisfy the QA/QB level mathematics course requirement. Students who successfully complete either course will be classified as GenEd-to-GenEd.
2. NT stands for Non-Transferable. Non-transferable courses will not transfer to Temple for credit.
3. It is strongly recommended that students select MAT 110: Applied Calculus for Business or MAT 202: Introduction to Statistics. MAT 110: Applied Calculus for Business transfers to Temple as STAT 1102: Calculus for Business and MAT 202: Introduction to Statistics transfers to Temple as STAT 2101: Statistical Methods and Concepts. Student should consult Temple's Transfer Equivalency Tool to select a course that will transfer to Temple to fulfill an elective requirement.
6. HACC requires students to select an additional laboratory science elective from the following courses: ASTR 103, ASTR 104, BIOL 101, BIOL 108, CHEM 101, CHEM 113, or PHYS 201. Student should consult Temple's Transfer Equivalency Tool to select a course that will transfer to Temple to fulfill an elective requirement.
7. It is strongly recommended that students select ECO 201: Principles of Macroeconomics or ECO 202: Principles of Microeconomics. ECO 201: Principles of Macroeconomics transfers to Temple as ECON 1101: Macroeconomics Principles and ECO 202 Principles of Microeconomics transfers to Temple as ECON 1102: Microeconomic Principles. Either course, ECO 201 or ECO 202 will fulfill the economics requirement for this Bachelor of Social Work degree at Temple. Students transferring without one of these courses may require additional time to degree completion.
8. HACC requires students to select a Philosophy course. Student should consult Temple's Transfer Equivalency Tool to select a course that will transfer to Temple to fulfill an elective requirement.
9. It is strongly recommended that students select PSPL 101: Introduction to American Government.
