Notes:

1. It is recommended that students work with their NCC transfer counselor to select a course for the 45+ GenEd for their NCC electives. Students choosing other electives may need additional courses at Temple to complete the 45+ GenEd requirements. Transfer credits with Core designations will satisfy General Education requirements. However, students cannot use the same course to fulfill a General Education and a major or minor requirement. Transfer courses with Core designations will be applied to major requirements first and then to GenEd.
2. Transfer students must complete two Writing Intensive courses at Temple that have been specified by their Temple University

School/College to fulfill the Writing Intensive requirements for their major.

3. It is recommended that students select from NCC Program Electives List: CASN 101 (THM 3328), CISC 101 (CIS LL Elective), HOTL 140 (THM Lower Level Elective), HOTL 150 (THM Lower Level elective), MEPL 112 (THM Lower Level Elective)
4. HOSP 221G may fulfill STHM 3185; to be considered the following must be present
 - a. Total hours worked on-site during the practicum meet 180 documented hours.
 - b. The student received an official letter that includes a detailed internship duties description while at Northampton.
 - c. The student, in collaboration with the site supervisor, advisors, and/or faculty supervisor, created a portfolio of the experience that includes a detailed description of duties performed, student self-evaluations, and periodic reflections on the overall experience. (Student provides portfolio to Temple's THM for review.)
 - d. The student received evaluations from the site supervisor on the quality of work performed.

Notes

- A. Careful selection of Electives in the NCC AAS degree program may eliminate some of these requirements. Transfer credits with Core designations will satisfy General Education requirements. Students cannot use the same course to fulfill a General Education and a major or minor requirement. Transfer courses with Core designations will be applied to major requirements first and then to GenEd.
- B. 45+ Gen Ed students need one course each in two of these areas: US Society (GU), Arts (GA), or Human Behavior (GB).
- C. The 45+ Mosaic requirement can be satisfied by transferring an approved combination of two courses from the Mosaic Transfer Guide. One, but not more than one, of the courses selected for a Mosaic combination may also be used to fulfill a second GenEd area. For example a student can combine NCC's Philosophy 201 and History 103 to meet the 45+ Mosaic requirement and also use the History 103 to fulfill their GenEd World Society requirement. Students should check with their NCC transfer advisor for a current list of courses.
- D. All Temple students are required to take two Writing Intensive courses at Temple University in addition to completing the GenEd requirements. Writing Intensive courses in transfer cannot be used to fulfill this school/college requirement.

General Degree Notes:

- I. The degree minimum requirement is 124 s.h. Assuming no remedial or repeat coursework is required the student completes the remaining coursework listed above at Temple.
- II. The student completing the NCC and Temple courses and requirements specified on pages 4, 5 and 6 of this agreement will meet all requirements for graduation with the Bachelors of Science in Tourism & Hospitality Management.
- III. To find the online application:
 - a. Go to www.temple.edu/undergrad
 - b. Click on "Applying" on the gray bar across the top
 - c. Click on "Transfer Students" on the left hand side - This will take you to an online application
